March 2019

Dear Parent/Guardian,

Over the past 7 years, Morris Hills Regional District has established an annual tradition of hosting the Special Olympics: MHRD Leo's Challenge. We would like to invite all students with special needs in the Morris Hills Regional District to participate in our 8TH annual Leo's Challenge. As a student currently living or enrolled in the district, your child is cordially invited to join us at the **Special Olympics: MHRD Leo's Challenge 2019**. This event is open to students in grades 1 through 12 and will be filled with fun games, challenges, and food. Your child will not only receive medals for participation but also support from fellow students and the community. The best part is that your child does not need to pass any requirements to participate; all are welcome at this event.

The **Special Olympics: MHRD Leo's Challenge 2019** is scheduled for **Sunday, May 19TH** at Morris Knolls High School from 10am to 2pm. Please arrive a few minutes early so your child can be set up with a buddy. We truly believe in this event and would love to see as many participants as possible. Those who plan on attending can register for the event by completing the online form below by May 10th.

We look forward to meeting your child and providing them with a day that they will remember forever. If you have any further questions, please email ifischetti@mhrd.org or lbischer@mhrd.org. We are very excited about the upcoming event and hope you are too!

Yours truly,
