Dear Morris Hills Regional District Community,

We hope this correspondence finds you and your loved ones healthy and safe. The purpose of this letter is to share with you an update with regard to our HVAC systems at both Morris Hills High School and Morris Knolls High School. We would first like to thank you for adapting and adjusting this week to our all-virtual model. Your flexibility and understanding are greatly appreciated.

We are pleased to share with you that during this past week, the district was successful in securing MERV 8 filters and have replaced most MERV 2 filters in both Morris Hills High School and Morris Knolls High School with these new filters and expect to complete this task by the end of next week. This timeline will allow us to reopen on Tuesday, September 29, 2020, as planned.

As always, our goal is to provide a safe environment for our students and staff. Thank you again for your understanding and your shared commitment to the education of our students.

Sincerely,

The MHRD Administrative Team
