September 24, 2020

Dear Morris Hills Regional District Community,

We hope this correspondence finds you and your loved ones healthy and safe. The purpose of this letter is to announce that both Morris Hills High School and Morris Knolls High School will resume with its hybrid-learning model on Tuesday, September 29, 2020. Cohort # 1 will be in-person and Cohort # 2 will be virtual. School will be closed on Monday, September 28, 2020 in observance of Yom Kippur. Please continue to complete our district [student daily health screener](#) and abide by all safety measures and protocols.

We are very pleased to announce that during our two-week shutdown, the Morris Hills Regional District was successful in securing MERV 8 filters and has replaced the MERV 2 filters in both Morris Hills High School and Morris Knolls High School with these new filters.

Currently, the New Jersey Department of Education is still requiring schools to adhere to the protocols outlined in the NJ Restart and Recovery Plan. As a result, the Morris Hills Regional District will continue the implementation of its hybrid model of instruction through the end of Marking Period 1. We are committed to ensuring the safety of our students and staff, while providing the best education possible. Toward that end, our Restart and Recovery Committee is currently exploring options to increase instructional time for our students, and we will be providing information in the near future regarding amendments to our schedule and plan.

Thank you again for adapting and adjusting over the past two weeks to our all-virtual model. Your flexibility and understanding are so appreciated. Your understanding and your shared commitment to the education of our students is valued.

Sincerely,

The Morris Hills Regional District Administrative Team
