December 18, 2020

Dear Morris Hills Regional District Community,

We hope this correspondence finds you and your family healthy and safe. The purpose of this letter is to update our school community and announce an additional extension of Phase 1 of our Restart and Recovery Plan.

The additional extension of Phase 1 will begin when the Morris Hills Regional District returns from Winter Break on Monday, January 4, 2021 and will continue through January 29, 2021. During this time period, both Morris Hills High School and Morris Knolls High School will continue to run its hybrid model of instruction with cohort # 1 attending in-person on Tuesday and Wednesday and cohort # 2 attending in-person on Thursday and Friday. Monday will continue to be all virtual for all students, regardless of cohort number. The Hybrid Bell Schedule will be used Monday through Friday. Both high schools will continue to follow its usual A/B Day rotation for each week.

[Hybrid Bell Schedule](#)

We remain committed to ensuring the safety of our students and staff, while providing the best education possible. Toward that end, we will be identifying struggling students, through both our Child Study Team and Intervention and Referral Services Program, in order to provide them with the option of attending in-person instruction four days per week. Our School Counselors and Case Managers will be in touch with parents of identified students to provide further details and support.

During the month of January, the Morris Hills Regional District will continue to reassess its Restart and Recovery Plan to further increase instructional time for our students.

We hope that you are able to find comfort and safety with your family during this holiday season.

Thank you for your continued support.

Sincerely,

The Morris Hills Regional District Administrative Team
