Dear Morris Hills Regional District Community,

We hope this correspondence finds you and your loved ones healthy and safe. The purpose of this letter is to announce the extension of Phase 1 of our Restart and Recovery Plan and to outline [specific changes to our hybrid schedule](#).

We remain committed to ensuring the safety of our students and staff, while providing the best education possible. Toward that end, our Restart and Recovery Committee has made the following changes to our existing schedule to increase instructional time for our students:

- The Flex Monday and All-Virtual bell schedules will be eliminated.
- Mondays will remain an all virtual day, but we will follow the [Hybrid Bell Schedule](#). All students will attend four, 60 min blocks of live virtual instruction.
- We will resume our usual A/B Day rotation for each week. Please make note of the [A/B day calendar](#). The days students are physically coming to school will not change (Tuesday/Wednesday for Cohort 1 and Thursday/Friday for Cohort 2).
- In the event of a mandated school closure, we will continue to follow the Hybrid Bell Schedule.

The extension of Phase 1 will begin on Monday, November 16, and continue through December 23, 2020. At that time, we will reassess our Restart and Recovery Plan to further increase instructional time for our students.

In addition, due to the recent closure of Morris Hills, we will extend Marking Period 1 by one day to Friday, November 13th so that our Driver's Education students can complete their in-person exams.

Thank you for your continued support. Please feel free to reach out with any questions or concerns you may have regarding this extension.

Sincerely,

The Morris Hills Regional District Administrative Team
