August 14, 2020

Dear Parent/Guardian:

We hope this letter finds you and your family in good health. Our staff and administration have been working tirelessly to ensure a smooth opening to the start of school. We have been updating the [FAQ](#) that we sent to the community as we receive more information from the Governor's Office and the Department of Health. Within the next week, we will also share with you our complete Restart and Re-entry Plan.

To ensure the safest environment possible for our students and staff, we are asking families to choose the [remote learning option](#) for the start of school if a student has traveled on or after August 17th to a location that falls under state or [federal](#) health advisories due to increased instances of COVID-19. The list of locations under the state travel advisory changes frequently; the most recent updates can be found [here](#).

If your student will be returning from a location on the state or federal advisory list, he or she will not be able to attend school and will be required to quarantine for 14 days upon return. Please fill out the remote learning form linked above and indicate a potential date of return in the comments section.

Thank you for your assistance in safeguarding the health and well-being of the students and staff in our district.

Sincerely,

James J. Jencarelli, Superintendent of Schools
Todd Toriello, Principal, Morris Hills High School
Ryan MacNaughton, Principal, Morris Knolls High School
