

Morris Hills Regional District

Magnet Program Prerequisites

Prerequisites for Incoming 9th Grade Students:

Math and Science Magnet Program: Students must currently be enrolled in Algebra I (or have completed Algebra I before 9th grade).

Prerequisites for Incoming 10th grade students:

Math and Science Magnet Program: Students must have completed Biology Honors, Algebra I, Geometry Honors, and Algebra 2 Honors by the end of their freshman year in order to be considered.

PLEASE NOTE: School Choice applicants for the Magnet Program must be enrolled in or have completed the appropriate prerequisite courses **at the time of application** in order to be considered for admission.

If you are not sure whether you meet these prerequisites, please contact the Program Coordinator for clarification:

Magnet Program for Math and Science: Mr. Kevin Doyle 973-664-2242 kdoyle@mhrd.org
