This video was created by Gifted and Talented Multimedia student Raquel Frier (Class of 2014). The video captures the 50 years of Excellence in Education of Morris Knolls HS. Sit back and enjoy the memories - comments are welcomed. Email Mr. Dan Benz at: [dbenz@mhrd.org](mailto:dbenz@mhrd.org)

## Comments:

That was so awesome. Bravo to you and to Raquel. Having been here only 3 years and barely knowing the history of MK, I loved seeing that. I can't imagine how touching that video will be to long-time Golden Eagles.
