Greetings,

The Morris Hills Regional District Board of Education has contracted with Strategic Educational Advantage LLC to assist us with our search for the next Superintendent. We have created a survey to help us gather information from the entire community regarding the desired characteristics they would like to see in the next Superintendent. The data collected will be used to create a profile of the candidate which will be utilized in our advertisements, screenings, and the Board's assessment of candidates.

We urge you to use the provided link below and take a few minutes to complete this brief survey. Know that your thoughts and opinions are important to us.
