RE: 2021 AP Exam Registration and Payment

During the 2020-21 school year, the AP Program will use resources and processes designed to help students earn college credit and placement. Here's what you need to know:

- You are being asked to register for AP exams in the fall. AP exams will continue to be given in May.
- The exam fee is **\$95**. However, there will be a **\$40** fee for late registration (**after November 9th**).
- Students at Morris Knolls High School will continue to register online for all exams. This registration will only take a few minutes and can be completed from any computer with internet access.
- Students will get personalized feedback through new digital tools that provide daily support for every AP classroom. Your teachers will be able to track your performance throughout the year using monthly personal progress checks.

Online Exam registration will begin on **Monday, September 14, 2020 at 12:00 AM** and end on **Monday, November 9, 2020 at 11:59 PM**. In order to register, students should go to www.TotalRegistration.net/AP/311321 to register. To complete registration, students must answer all of the required questions. Registration is not complete until students have printed the pdf of the confirmation page that is provided at the end. We know that parents may desire to register their students for exams. We strongly recommend that parents and students are both present while registering to ensure that the correct exams are ordered.
