It is mandatory that prospective student athletes who plan to participate in intercollegiate athletics at a NCAA Division I or II institution register with the Eligibility Center.

Follow these steps:

1. Have a credit card ready.
2. Go to [NCAA](https://www.ncaa.org/eligibility-center). Create an account.
3. After completing all forms, an email with a NCAA ID will be sent to you. Request transcripts in your NCAA account.
4. Add the NCAA to list of “Colleges I am Applying To” on Naviance.
5. Visit Naviance to request a transcript to be sent to NCAA.
6. Send SAT/ACT scores to NCAA using code 9999 for the “NCAA Eligibility Center”.

Standardized Testing

SAT/ACT Testing Dates

SAT Testing – Register at: sat.org/register

Test Date	Regular Registration Deadline	Late Registration Deadline
October 7	September 7	September 26
November 4	October 5	October 24
December 2	November 2	November 21

ACT Testing – Register at: actstudent.org

Test Date	Regular Registration Deadline	Late Registration Deadline
October 28	September 22	October 6
December 9	November 3	November 17

Test Optional

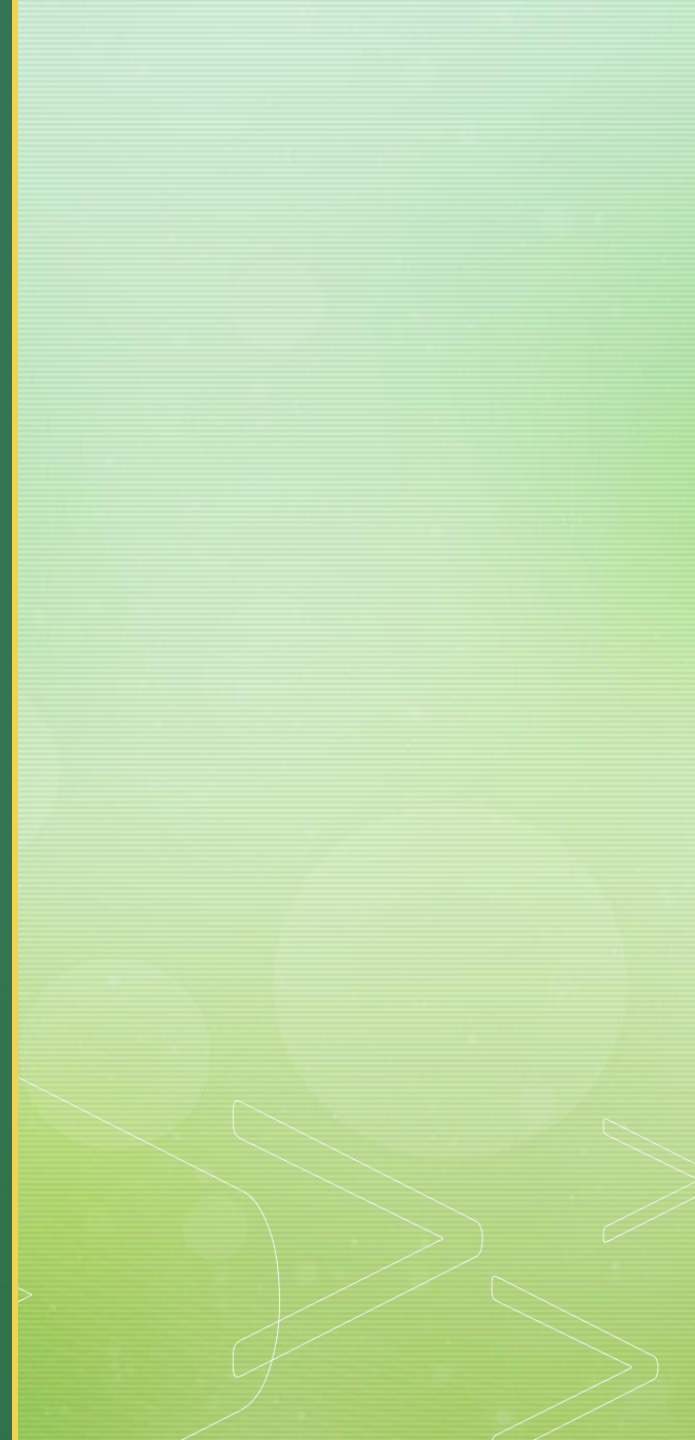

Test optional allows the student to decide if they want to submit their SAT or ACT scores or not.

Our recommendation: if a student is *at or above* the average SAT or ACT score for a college, send the scores. If they are *below* the average SAT or ACT score, **do not send them!**

80% of colleges are currently test optional (insiderhighered.com).

Use this to your advantage!

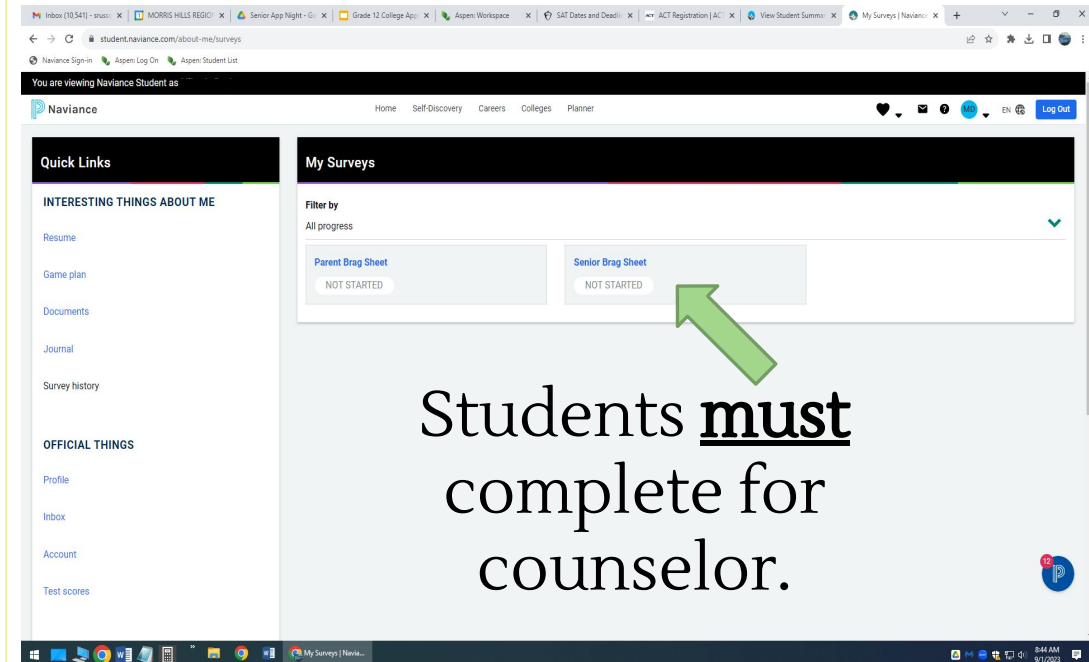

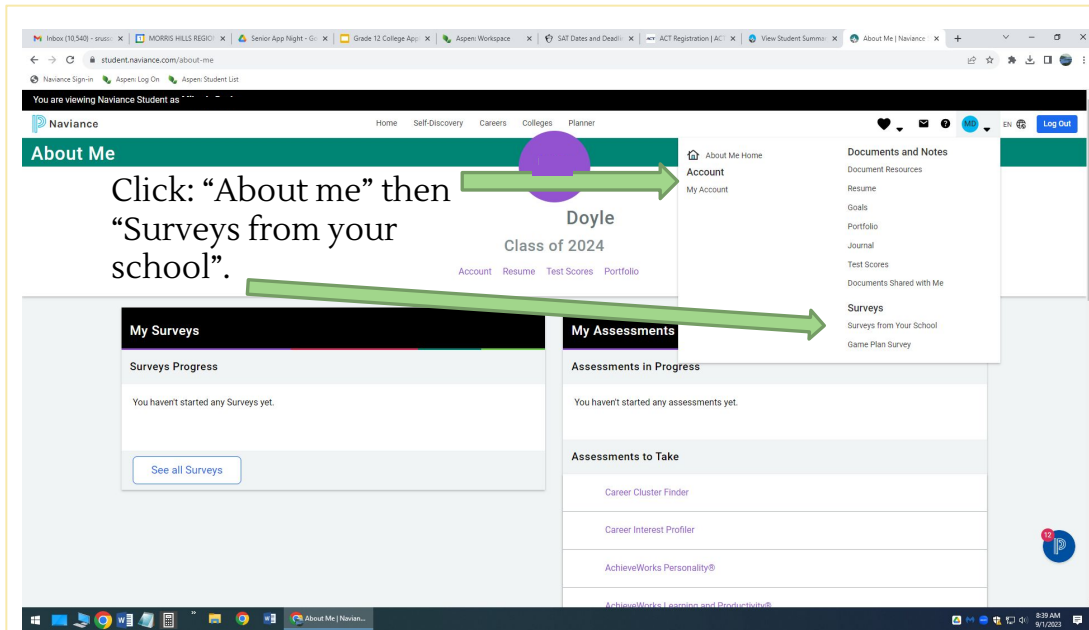

Naviance

How is information submitted?

- Most schools receive all documents from MKHS via **Naviance**.
- Student sign **FERPA** – “Release of Information”.
 - Waiving Right – Why not? Colleges want a candid look!
- **Recommendations** – asking for 2 academic based letters is standard.
 - No need to ask for more!
 - Be mindful that some colleges *only* accept one letter of recommendation.
