

Morris Knolls Home and School Association

Dear Morris Knolls Parents,

September, 2018

Welcome back to our returning students and welcome to our new freshman families! As president of the Executive Board of the Home and School Association, I would like to personally invite you to become part of our organization. The HSA, the high school version of the PTA, is the one and only organization here at Morris Knolls that benefits all Morris Knolls students, administrators, teachers and parents. Our organization provides the opportunity to meet personally with key members of the administration, meet other parents and stay in the loop about academic programs, extra-curricular and social activities.

Wondering what the HSA does? Here are some important programs that the HSA makes possible at Morris Knolls.

- Academic, service and trade school scholarships awarded to graduating seniors
- Grants provided to teachers for classrooms needs not met by the budget
- Members only emails on MK happenings through school messenger
- Highlighting free community activities for families
- Recognizing the hard work of our administrators and teachers through themed Staff Appreciation Lunches throughout the school year
- Conducting a 50/50 cash raffle to benefit the students and staff at Morris Knolls

President: Carl Kohler
Vice President: Bonny Engelhardt
