Central Elements		Core Components for IB (meets financial literacy requirement)	Theory of Knowledge Extended Essay Community-Action-Service (CAS)	Theory of Knowledge Extended Essay Community-Action-Service (CAS)	
PE/Health	PE/Health 9	PE/Driver's Ed.	PE/Health 11/ToK	PE/Health 12/ToK	

*Rather than taking two math classes in Grade 10, students can take Geometry over the summer prior to 10th grade, which creates space for an additional elective.

**This higher level mathematics option requires students to complete the Mathematics internal assessments (IAs) and some additional math topics independently in addition to the AP coursework.
