March 2023

Dear Parent/Guardian,

Since 2012, Morris Hills Regional District has established an annual tradition of hosting the MHRD Leo's Challenge, Special Olympics. Due to the pandemic, we needed to put this on pause, we are excited to announce we are ready to continue this amazing tradition this year!

We would like to invite all students with special needs in the Morris Hills Regional District to participate in our 2023 Leo's Challenge. As a student currently living or enrolled in the district, your child is cordially invited to join us at the **MHRD Leo's Challenge 2023**. This event is open to students in grades Kindergarten through 12 and will be filled with fun games, challenges, and lunch. Your child will not only receive medals for participation but also support from fellow students and the community. The best part is that your child does not need to pass any requirements to participate; all are welcome at this event.

The **MHRD Leo's Challenge 2023** is scheduled for **Sunday, April 30TH** at Morris Knolls High School from 9:30am to 1:30pm. Please arrive a few minutes early so your child can be set up with a buddy. We truly believe in this event and would love to see as many participants as possible. Those who plan on attending can register for the event by completing the online form below by April 15th.

Registration Form [linked here](#).

We look forward to meeting your child and providing them with a day that they will remember forever. If you have any further questions, please email ifischetti@mhrd.org or copalewski@mhrd.org. We are very excited about the upcoming event and hope you are too!

Yours truly,

Irene Fischetti & Carla Opalewski
Advisors of Morris Knolls Leo Club
