January 2023

Dear Parent/Guardian,

Common assessments will be administered beginning on Monday, January 23rd to Thursday, January 26th. Please review the following information with regard to common assessments and the common assessment week.

- Common assessments will be one block in length and will be administered during class time.
- Each common assessment is worth 6% of a student's final grade in the course. Marking period # 4 common assessment is worth 8% of a student's final grade in the course.
- All common assessments are 100% common across the district by course.
- As per the common assessment schedule, students will take no more than two common assessments per day. There will be no change to the school schedule.
- Students will be required to make-up any missed common assessment on the next regular class day following the scheduled four days of common assessments.
- Any student who is absent from a common assessment will be required to make up the common assessment. If a student is absent for multiple days during the common assessment week, he or she must submit a doctor's note or emergency excusal documentation to the School Counseling Supervisor or the Principal, seeking approval to make up the common assessment. Only emergency excusals will be considered. If the emergency documentation is not received within three (3) school days following the absence, the student will receive a grade of zero on the common assessment. Excusal documentation must be submitted the day following any common assessment absence during the 4th quarter.
- Any student who is found to be in possession of a cell phone or any other electronic device will receive a zero on his or her common assessment.
- No other major assignments or assessments should be assigned during the common assessment week. The goal is for our students to focus on their common assessments.

Monday, January 23rd – Blocks 5 & 7

Tuesday, January 24th– Blocks 1 & 3

Wednesday, January 25th – Blocks 6 & 8

Thursday, January 26th – Blocks 2 & 4
