Dear Parent/Guardian:

The Morris Hills Regional District measures student progress towards achieving the New Jersey Student Learning Standards and curricular objectives by administering quarterly benchmark assessments. Quarterly Assessments will be administered from 10/25/21 – 10/28/21. Please review the following information regarding the assessments.

Quarterly Assessment Schedule

Monday	10/25/21	Blocks 1 & 3
Tuesday	10/26/21	Blocks 5 & 7
Wednesday	10/27/21	Blocks 2 & 4
Thursday	10/28/21	Blocks 6 & 8

Emergency Excusal

The expectation is that all students will be present for their quarterly exams. Any student who is absent from a quarterly exam will be required to make up the quarterly exam on the next regular class day following the scheduled four days of quarterlies. If a student is absent for multiple days during the quarterly week, he or she must submit a doctor's note or emergency excusal documentation to the School Counseling Supervisor or the Principal, seeking approval to make up the quarterly exam. Only emergency excusals will be considered. If the emergency documentation is not received within (3) school days following an absence, the student will receive a grade of zero on the quarterly exam.

Inclement Weather

If school is cancelled for inclement weather, the missed quarterly date will take place upon the date of return to school. For example: If school is closed on Monday and blocks 1 & 3 are missed, the exams will be given the next day school is in session, and the schedule will continue as planned.

General Information

Quarterly Assessments are 100% common across the district by course. Quarterly Assessments will be one block in length and will be administered during class time. No other major assignments or assessments will be assigned during the quarterly week. The goal is for our students to focus on their quarterly assessments.

Please feel free to reach out with any questions or concerns you might have.

With Golden Eagle Pride,

Ryan MacNaughton
