If permission is granted, I understand that the privilege may be revoked for any violation as stated on the back of this application. A **\$25.00 non-refundable fee** is required prior to the time a parking decal is issued. We do not accept cash or checks.

I also understand that the school authorities may revoke this permit as a disciplinary measure for student misbehavior in school. This will be judged by the school authorities with regard to severity, nature, and frequency of the misdeed.

I further understand that the school authorities reserve the right to report all cases which they consider to be those of careless or dangerous driving to the police for prosecution.

BEFORE SIGNING – PLEASE READ:

I have read the rules on the reverse side of this application. I agree to all the regulations concerning driving to Morris Knolls High School and parking on school grounds. This includes adherence to Board of Education Policy 2435, Random Alcohol Drug Test of Students (see attached form). I understand that my vehicle is subject to search under Board of Education Policy 5770. I also understand that should I be towed, this will be at my expense and the school is not liable for any damages to my car. Finally, we do not ensure the safety of your vehicle while it is parked on campus. If you cannot accept these conditions, do not drive to school.

NOTE: Driving to school is a privilege. Failure to comply with the regulations noted below will result in disciplinary action and the possible loss of your parking privilege.

1. You must purchase a decal in order to park on campus. Parking decals are not transferable to any other vehicle. The cost of a parking decal is \$25.00.
2. Your decal is to be displayed at all times on the **left rear window (driver's side) of your car.** It must be properly affixed to the window. **DO NOT USE TAPE!** Failure to display your decal will result in a ticket and/or towing at your expense.
3. Use of a fake/expired decal will result in immediate towing and forfeiture of parking privilege.
4. You may only park in the Senior Parking Lot, on Knoll Drive above the Blue Line, or in the lot behind the baseball field ("New Turf Lot").
 - Do not park in driveways, fire zones, stairway entrances, the faculty lots, numbered spots, or in the back of the school.
 - **If you can't find a parking space in one of the areas designated for seniors, DO NOT PARK IN A FACULTY SPACE.** Instead, park in front of the building, come into the General Office and discuss the situation with an administrator.
 - Parking in unauthorized areas will result in a ticket and forfeiture of privileges
8. If you change cars you must remove the old decal and return it to the General Office before a new decal will be issued.
9. If you need to take a different vehicle to school in an emergency situation, stop in the General Office before school to get a temporary parking hang tag.
10. If you lose your decal, you probably will not receive another one, so **TAKE CARE OF IT AND LOCK YOUR CAR.**
11. **Under no circumstances are students to drive to Morris Hills or to Vo-Tech without specific permission** from the principal. Seniors who want to drive to Morris Hills or Vo-tech must complete the proper paperwork (including parent signature).
12. **The speed limit on campus is 10 m.p.h.** Speeding, careless driving, or other behavior considered by the school authorities to be dangerous to others or damaging to property will result in disciplinary consequences.
13. If you are issued a parking ticket(s) during the school year for a parking violation the cost is \$5.00 and \$10.00 for the second offense. The cost is \$20.00 for each subsequent offense & the vehicle will be towed.
14. **Leaving school grounds prior to regular dismissal**, unless excused by an administrator, will be treated as an unauthorized departure. This will likely result in loss of parking privilege and an in-school suspension
15. **Students are not permitted in the parking area while school is in session.**
16. While on school grounds, **student vehicles are subject to random searches** using trained dogs and law enforcement personnel in an effort to enforce the district's zero tolerance policy for alcohol and drugs. In addition, student vehicles are subject to search under Board of Education Policy #5770.
