March 27, 2020

Dear Morris Hills Regional District Parents/Guardians and Students,

We sincerely hope this letter finds you and your family healthy and safe during this most difficult time. We felt it was important to share information with you as we complete our second week of home instruction and to remind you of the grading procedures being followed as we continue to navigate through this process.

Grading for Home Instruction and Survey

We know many students and parents may be anxious about how grades will be calculated for the period of time we will be out on home instruction. Our primary concern is for the safety and well-being of our students. Therefore, we are trying to provide as much flexibility as possible and to give students every opportunity to succeed.

Grading

1. Please check Aspen for any missing assignments; these can still be completed for full credit up through the end of the 3rd marking period (April 20th). Any student work that has not yet been completed is labeled as M or MI (missing) in ASPEN.

2. Students also have the ability to make corrections on assessments for full credit.

3. As a reminder, if you are having technology issues with your Chromebook, please email chromesupport@mhrd.org.

Survey

As we begin our third week of home instruction, we are interested in getting your feedback about your experience so far. Please fill out the survey below so we can take your input into consideration as we continue our planning process.

Home Instruction Survey

We thank you for your continued support and your efforts during this crisis. Please contact us if there is anything you need from us.

Sincerely,

James J. Jencarelli, Jr. – Superintendent
Nisha Zoeller, D. Litt. - Assistant Superintendent
Ryan MacNaughton - Principal - Morris Knolls High School
Todd M. Toriello, Ed.D. - Principal - Morris Hills High School
